“ Our Condolences, Prayers, and thoughts first goes out to the Sharp Family and those who cared for Charles and his Friends who knew him .

And now to you Charles : i want you to know that you were never forgotten in my heart you were always loved i never got to expressed to you my thoughts not even the days during your illness but i want you to know i would pray for your healing but deep in my soul i knew that God knows what best you and even though you were a fighter Jesus say its time to come home and no more suffering i wished things would of been different in our lives but unfortunately all of us will Go through life in ways that are unexpected and learn from it I Thank God for the times we shared together and the memories will always be there I thank God for Our son that He gave us together his love for you was never ending even though he couldn't see you as he wanted Charles every time i look at your son his ways his action always reminds me of you and we will have that connection always Charles you are gone to soon and even though that is true Jesus says that we will see our love ones again we used to talk about that and i believe with all my heart that is true now that you are resting as my heart is broken i say my goodbye for now and until we meet again in the next life I will say Rest In Peace !!!!
