“ Angela Crippen lit a candle in memory of Mr. Keith Tyrone Hall

“ Met this guy in 5th grade in Mrs. Shirley King's class and we fought, and treated each other like brothers... I got to know this great guy real well from that moment on.... I remember he always loved the Lord and at the time (5th grade) Mississippi Poor boy (Canton Spirituals) was one of his favorite songs... The fact that he knew that song let me know that he loved the Lord... I'm very late finding out of his transition but I'm encouraged in knowing that he made it where we are destined to go... Rest well my friend and look over us.... May God bless his mother, wife, siblings, children and the rest of the family...Be encouraged!!

“ Keith (Keyman) had such a beautiful spirit. He would smile so big and always say hey to me with such joy. His laugh was unexplainable and it created more laughter. Keith had a beautiful heart and brought joy to all around him. He was my family friend as well as classmate. You will be missed. I know you are enjoying those beautiful wings. Fly high my friend.
