“ Andrew was a roommate and friend in the military. He was always a straight-up person. I'm sorry we never connected after the Army.

“ I use to have long conversations with him and his wife at the post office in Aubrey. Some of the nicest people I have ever met.

“ I can't say I knew Mr. Blocker but I did know his wife and stepchildren. I remember seeing him once when his step daughter Sharonda asked for prayer; we went to UAMS and saw his loving wife by his side. God gave him a good number of years after that meeting. And with a praying wife and believing daughter, my prayer is that they will see each other again. God's peace upon the family and my prayers for your comfort. Sister Johnson
