“ *Ms. Anita was the sweetest person I've ever met. She never had a negative thing to say about anyone or anything no matter what. Always uplifting and prayerful 🥹. The true definition of "Let go and Let God." She could remember birthdays and anniversaries without writing them down. And she always reached out to me on the anniversary of my twin brother's death. That really meant a lot.*

We worked together at Rite Aid for years and then both transitioned to Enclara Pharmacia. I am grateful that God saw fit to place her into my life. A few nights ago, Kaleb played with the parking garage she got him for his birthday. I'll miss you at the gatherings!

Your life was well-lived and I cannot think of anyone that is more deserving to enter into the pearly gates of heaven. Job well done, Ms. Anita. You are truly missed and we love you! Get your rest. Your work here is done.
