“ *I don't have many memories of Uncle Bud, but the ones I do have were all good memories. I can remember us stopping in Forrest City and he stayed up on that grill smoking ribs all night over into the morning. Don't remember eating the ribs but the time shared was memorable.*

“ My Uncle Bud always made me laugh. He always had some sort of advice to give. I remember him saying to me in front of all his buddies, "Girl you need to quit dying your hair. You know you're getting gray headed like the rest of us".His laughter will always resonate in my head. I will miss stopping through Forrest City on my back to Little Rock from time to time to visit with him. I will miss you Uncle Bud.May God comfort the Dixon Family. "Those we love never go away, they walk beside us everyday"
