“ To my little great nieces you will be missed. My heart hurts for not being able to hold you and love on you as I would have liked. Just to see your little bodies as two baby angels gives me the strength to go on. I love you very much. 🥺🥺🥺

“ Although your time was brief here with us we have plenty of videos and pictures of the journey within your mother’s womb that we can reflect on and feel your presence. I know that The Most High does not make mistakes and I thank him for allowing me to be your grandmother. I love you both endlessly AziYah and AriYah 💕💕💕
