“ Hi cousin, first let me start off by saying how truly sorry we are for y'all loss. I'm not on Facebook with any of you but thankfully I was able to go off of some screen shots of auntie sent to me via text just a short time ago and look her up. Auntie was a beautiful woman and I'm sorry momma couldn't make it, had she been doing better health wise she could've traveled. Stay strong and you're all in our thoughts and prayers.
