“ It was an honor to teach this young man who made me laugh each and every day .I watched him grow into the young man and father he became as he became a man. This make my heart hurt and my soul struggle to believe that he is truly gone. My heartfelt prayers and condolences to his family, especially his children who have called me granny for many years 🙏🙏😭💔💔

“ Nephew I remember the day that you were born you were so handsome. As you grew you were one of the sweetest kids that I had ever known and that spilled over into your adult life. You would give the shirt off your back. We are missing you down here but we know God wanted you there. Rest in Heaven Nephew until we meet again.
