“ *Mr. Carl was an amazing man who seem to always bring sunshine when he entered any room. An instant friendship is what we had. The teammates of FCCI would often talk about his bubbly personality and love for people as he never met a stranger. Our memories are long, our hearts are sore and yet our prayers will cover his family. Although we will miss a building- teammate, his family will miss much more. Thank you for allowing us to love and cherish the brother, uncle and friend he was to you. We will forever remember our friend.*

With love and a sincere heart,

“ Carl was a great friend to me. He would always make sure I was okay and had something to eat. On my breaks at work we would stop and talk. He would tell me about his childhood days and how he grew up. He was always wearing a smile and he has a genuine heart. We both loved old music and he would always play it when leaving out of work. He always made sure we had a clean bathroom. Most of the time I could smell his cologne. I would come out of my office and say I can smell you. He would laugh so hard. Carl is truly going to be missed by me. I look for him everyday at work. To the family I am praying that GOD gives you strength at this time. Rest in heaven my friend.

“ Words can't express how much I'm going to miss Mr. Carl. He was so fun loving and it tickled me so that even if I didn't see him, you could definitely hear his laughter and joking manner. The whole entire building loved him. I'm going to miss our Sport talks about the games. He loved his Steelers needless to say he didn't like my Eagles. I'm going to miss my friend. Love Naomi
