“ Words are so inadequate to describe Chet Evans. He was my brother, friend, neighbor and my personal angel. My heart is hurting because the bond was very deep. Chet was an unsung hero who went about doing good things for everyone he encountered. He had a heart of gold... He was my hero. A man like Chet can never be replaced. The world was a better place because of him. Well done, my friend, Well done 💔 Your presence will forever be missed.
