“ *Clint was so eager In life which always made me smile. So happy and had all of the world in his hands. I'm so sorry for his loss, I know he is up there where streets are paved with gold. May he feel no more pain. I trust in Jesus's name, amen.*

“ *There are just no words really. I am fortunate to have known him and have his love. And I will forever love him. I have so many wonderful memories with him that I will always appreciate and cherish. Saying he is missed is an understatement. He was loved by so many and there is so much heartache now. Rest easy Foster, now God has you, I will always love and miss you forever.*
