“ *Connie will always be a dear friend of mine. She was the first person to hit with me when I started playing tennis at Palmer Park. I will never forget all the fish fry and cook-out events we planned together. Oh, what fun! She will be truly missed by me and all of the Palmer Park tennis gang in Detroit.*

*I'm sending my condolences to the entire family and I pray that her memories will provide comfort and solace during your time of bereavement. The burdens that seem too heavy to bear are lifted away on the wings of a prayer. Remember, Earth has no sorrow, Heaven can not heal. God has spoken, let the church say AMEN!

“ I miss you so much momma....your strength and your fighting spirit will live on in all those left behind....The days pass and I still find it hard to move on but I know that you are in a much better place with no more pain and suffering, as much as I wanted you to stay I couldn't be selfish and ask God to leave you with me, my heart breaks that you are no longer here but I smile knowing that you are happy and free..I LOVE YOU MOMMA!
