“ Curtis, you will be missed by so many people. You had your own way of encouraging, and inspiring so many people. Thank You for all your help, when you told me who to talk to about health insurance. I had told you when I got approved for the health insurance, and you said, praise God. Rest in Peace, Anita Wilson

“ To my beloved brother I know we never got a chance to talk or see each other like we should have, but I still loved you no matter what. To my dad and wife, my sister and brothers I know that God will make a way for us all we have to lean on Him for He makes no mistakes. Life is to short and we have to love each other back into a whole, and one thing we can't do is question God work for Curt is in a better place a place where he has to suffer no more a place with golden gates peace and rest. We all live to die but we have to ask ourselves will we be ready.

I love you all your baby brother Curtis Lee Rolfe IV
