“ *I have been neighbors with David (Pops) is what I call him. We have become great friends over the last 6 years. He had become part of my everyday life and routine. I still walk out to my garage and look across the street to see if he is sitting on the porch. I sit in my garage and wonder if he is coming over. I know he will never walk across the road to my house. I still sit and cry from time to time, because the love we had for each. I love my friend and you will be greatly missed.*
