“ 🌸🌺🌹🌻 Thank you Aunt Dee for being a wonderful Aunt, you’ve overcome a lot. You always remained strong even when you felt weak in your body.
I’m grateful to have had the opportunity to talk with you the morning before God called you home. I simply called to check on you and tell you that I love you and to take care of yourself, not knowing the events that would take place. Shocked everyone!
I thank God for giving you life and showing me what a true blessing you were to this world. 🌹

“ *Cousin, I have no words, I will truly miss you. We had some fun times, some not so fun times, we disagreed, but never fell out, we always kept a level of respect. This is hard, but I know God never makes a mistake. I know you are resting and no longer in pain, there is comfort in knowing that. REST IN PEACE.*
