“To everything there is a season and a time to every purpose under the heaven: A time to be born and a time to die.” Ecclesiastes 3:2

Dwight Anthony Lofton, age 60, transitioned from this life early in the morning on Thursday, April 8, 2021.

Coach Lofton was born March 23, 1961, in San Antonio, Texas, to Jackson W. and Eddyce M. Lofton.

He professed his life to Christ at an early age at Mount Zion Baptist Church in Little Rock. He was a member of Prosperity Missionary Baptist Church in Forrest City.

Lofton graduated from North Little Rock Ole Main High School in 1979 and

attended the University of Central Arkansas in Conway on a tennis scholarship, where he played singles and doubles matches for three years. While there, he became a member of the Iota Gamma Chapter (Spring '81) of Kappa Alpha Psi Fraternity, Inc., and graduated from the university in 1984 with a bachelor's degree in history and health education (double major).

“I must work the works of him that sent me, while it is day; the night cometh when no man can work.” John 9:4

Over the 35 years of his teaching career, he taught civics, American history, psychology and sociology. His first head coaching position was Pelican High School in Mansfield, La., where he stayed for two years as head coach of the basketball team. He was an assistant coach at DeSoto High School in Louisiana for one year before returning to the North Little Rock School District as an assistant senior high and head junior high basketball coach for the west campus team for nine seasons. There, he won two district championships with two runners-up finishes. During the summer, Lofton worked with the North Little Rock AAU program. He joined the Forrest City School District as the Mustang senior boys basketball coach in 1996. During the 2006-07 school year, Lofton's Mustangs finished 26-4 and were Class 6A state runners-up. Lofton sent three players – Stephon Weaver, Kelson Stewart and Marcus Britt (all now inducted into the Forrest City Athletic Hall of Fame) to three different Division I schools following that season.

Two of his greatest career accomplishments as a basketball coach were leading the Forrest City Mustangs basketball team to the 2014 and 2016 5A State Boys Basketball Championship games and winning both titles. Lofton was the head tennis and head golf coach in the Forrest City School District which led a student to the title of Overall Girls State

Champion of Arkansas in 2018 under the Arkansas State Golf Association. He was selected as the 1995 KARK My Favorite Teacher. In 2012, he was inducted into the Forrest City Athletic Hall of Fame. He was named 5A-East Outstanding Coach in 2014 and 2016, named the 2016 Arkansas Democrat-Gazette Basketball Coach of the Year, and in 2017 received the Buddy Harding (UCA) Alumni Award. He also received numerous other awards over the span of his career.

He was preceded in death by his father, Jackson W. Lofton; his paternal grandparents, Adolphus and Theodore Lacy, and his maternal grandparents, Fred and Mary Henderson.

He is survived by his supportive and devoted wife, Gwinda Lofton of Forrest City; his loving mother, Eddyce M. Lofton of Sherwood; his sons, Jaylen Lofton of North Little Rock and Avian Wright of Memphis; his daughter, Crenisha Wright of Benton; Paw Paw's favorite girl/granddaughter, Viani Wright; two brothers, Jeffrey (Shelia) Lofton of Houston, Texas and Michael Lofton of North Little Rock; one sister, Jacqueline Lofton of Sherwood; one nephew, Sean Lebari of Houston, Texas; one niece, Christina Lofton of Mayflower; five aunts, Jewell (Alphonzo) Bowe of Flint, Mich., Dorothy (Robert Sr.) Jones of Sherwood, Faye (George) Long and Patricia Henderson, all of North Little Rock; three uncles, Fred (Juanita) Henderson and Patrick Henderson, all of North Little Rock, and Charles (Jann) Henderson of Frisco, Texas; three brothers-in-laws, Cecil (Mable) Peacock, Henry Peacock and Reginor Peacock, all of Forrest City, and one sister-in-law, Brenda Peacock of Wake Village, Texas; along with many cousins, family, friends, coworkers, and a tremendous host of coaches, students, and his golf, tennis and basketball players. Dwight had a very special bond with

several of his players over the years, and you know who you are.

“ Not many walked the talk as Dwight. We played together as kids in the "Heights", we played on the same baseball teams. We didn't party hard, at least not with me, we graduated together, and we went our separate ways. But, I've taken your influences, your character traits with me in many of life choices. I've been watching you, and now GOD has you in His care. Much love hommie!

“ Dwight followed his dreams, becoming a fierce coach, an awesome God-fearing person, an exceptional family man, friend, and most importantly, a mentor to so many! I will miss reminiscing with him (and wracking my brain trying to remember stuff that happened 40 years ago.) 😊 I know he will be looking over and interceding for many in his new Heavenly duties.

My deepest sympathy and prayers to Gwin and family and also to Eddyce, the Lofton, Henderson and Smith families. He was a special person and deserved all the beautiful tributes. I was proud to know him. Rest DAL - you deserve it! You were loved!

“ My dear 1st cousin Dwight. I will always cherish the times we spent during the summer when we were kids in Little Rock, although I was much older. You were the cutest little boy. I have thoroughly enjoyed communicating with you via Facebook, and getting to know your family. I know you have a good heart so there is no question that you are with God. I know you are happy seeing your dad (Uncle Jay Walter) again. I Love You!!

“ Coach Lofton family, Praying that God continues to comfort the family. Keeping you lifted during this time of bereavement. Coach Lofton inspired, encouraged, the students to be the best that they can be. He showed them how to respect them self and others. He had a kind working spirit which helped him to teach our children to be able to succeed in life. The way that he carried himself you knew that God was important in his life. Thanksgiving holiday will not be be the same without him in the " Rumble On The Ridge "

Coach Lofton will be missed NEAR AND FAR. His memories will forever be in our hearts.

“ My deepest sympathies to the Lofton family. I went to High School with Dwight, a cheerleader for Dwight and all the Wildcats. Those were happy days, full of laughter, friendship and hope for all us teenagers. Racial barriers were gone, and our Class socialized together, played together, enjoyed each other, and built lifelong friendships. Dwight was a leader even then, setting an example of friendship, loyalty and hard work. I am not a Spokesperson for our Class, but I am sure of the love and respect our OMHS Class of 79 felt for Dwight. Thank you Lord, that his family and friends will all be reunited one day in Your Presence. We will hold on to Your promise.

“ Coach Lofton was someone important to me from the moment I sat down and had my first conversation with him. Him and I had a special bond, not only was he my teacher, he was a friend, a mentor. The stories I could tell and all the memories I’ll remember for the rest of my life are so many. He always called me, “TB, the legend” but I always knew he was the legend and I am beyond grateful to have spent the time with him I did. He always made you feel welcomed and important, and he kept a smile on all his people’s faces. Loft always kept my desk pulled up right by his in school and always welcomed me in to come and chat even after I had his class. I send my prayers and love to every person effected by the loss of this “Unbelievable” man. Loft may not be with us physically anymore but he’s eternally in our hearts and minds. May you Rest In Peace Coach Loft💙 I hope you and Jesus have a seat pulled up near you guys for me when I get there one day.
