“ *Eddie was great mentor whose impact will be felt for years to come. He was not only a teacher, but a guide, a source of wisdom, and a shining example of compassion and dedication.*

For me, he leaves behind a legacy of kindness, knowledge, and unwavering support. There are many days that's I wish I shared his ability to impact peoples life in a positive way. Though Eddie may no longer walk beside us, I hope his spirit lives on within the lessons he imprinted on us. His absence will be deeply felt, yet I hope his teachings will continue to resonate not only within myself, but all of us.

Rest in peace, dear mentor. Your light will forever guide us.

*With heartfelt gratitude,
Mark*

“ I am truly hurt and at a loss of words. This one truly stings and hurts. You called me at least twice a month to make sure I was doing good after you retired. You found laughter in everything and that laugh was infectious. You have had such an impact on my career and as a friend and I will cherish the little gems you have instilled in me. Hamilton fly high and rest easy. Love you and miss you my friend and battle buddy. My prayers and condolences to your family.

“ I can't believe what I am reading right now. I just spoke to you in July. After so many years, "SFC Hamilton" was calling me. Instantly brought back memories of you calling to explain what I had incorrectly completed on a timeline😂 Man, one of the coolest, most laid back guys I knew. Prayers for the family and fly high Hamm

“ Not you Lamont... All them days we spent together on them "work schedules".. The times we had teasing and laughing with each other. Especially, when we would TDY.... The opportunity I had to be in your presence and the memories I have, I will forever cherish my Brother.. Till Valhalla..

“*Ham.....I miss you already my brother. This one is tough. Probably the best person I've ever had the pleasure of knowing. I can count the number of people I consider friends on one hand, and you're one of them. I tell my kids all the time " you can't pick your relatives, but you can pick your family", and Ham was my brother. I'm grateful my wife had the pleasure of knowing you as well, and my kids got to meet you. I don't have all the answers, but I know we'll meet again someday. Love you brother!*
