“ Like Mary Williford, I remember Edna from Eldridge Butler Elementary School in Madison. I was a grade ahead of them but if I am not mistaken Edna use to preform poems and such at the school assemblies. Sincere condolences to her family and friends. May God strengthen and keep you.

My sincere condolences to the family. I am a few years ahead of Edna but have been friends of the family for many years. We all use to play together at each other's house. Praying for comfort and strength during this time of loss.

“ Me and Edna go a long way back. Kindergarten at Eldridge Butler elementary, through high school (FCHS mighty class of 78) and beyond. Enjoyed seeing her at our 40th class reunion. To God be the glory! Let's not forget Madison Light Baptist church, Sunday school and BTU. And I used to love when it was time for her mom to do my hair cause I was hanging out there all day. She will be greatly missed. My deepest condolences to the family. Rest in love, friend.
