“ From the first day that I met Bootsie he always had a big smile and a loud booming voice to greet me! Never a dull moment in his presence. I will have nothing but happy memories of him. Marilyn, you, the kids, grand kids and the Tucker family will be in my prayers.

“Bootsy was always a joy to be around. I can remember when he was a deacon at St. James M.B Church. Most of all I remember when he was a Truck driver and as we were traveling, we coincidentally stopped at the same convenient store off I-40. We greeted him and he happened to mention that he stopped at that particular store because the fried fish was so good! We really got a kick out of that because that was our main reason for stopping there as well-:). I'm quite sure that he will be missed because he was truly a joy to be around. May God's peace and blessings be with his family especially now.

“Boosie was a special person. A great uncle to his nephews Thomas Tucker and Terrance Tucker. They shared a lot of laughter and fun together like brothers. When he saw me , he had that deep voice he always called me Sister n law, or Darlene. Still today the Purnell- Tucker family holds a great bond. That means a lot to me. He definitely will be missed. That great smile when he saw you. and the joking around will be missed. My prayers goes out to the entire family and to Marilyn and the kids. Words can't express to you all on what to say, but keep looking up, and may God continue to comfort you during this time. Love you all, family ❤️

“ There will never be another true man of God like Elax aka Bootsy Tucker. His heart was pure as gold. Once to clear up a misunderstanding, he ask the men of the church to contribute to one of my children to solve the issue. Heaven has gained another angel
