“ *I had the pleasure every summer as I child to spend time with Grandma Frank & Uncle Jeep (Jeek) that's what I called him. My Cousin Tina & I would drive Uncle Willie's pick up to his home. We walked into a warm loving home. He was a sweet loving man, we always knew will get feed an some good laughter while visiting. I even remember his special Lady , she was always there an very sweet & nice to us. Now I am from New Jersey and only was able visit in the summer time. It's amazing how I still have all these good memories because when I good person passes you never forget!!!! Their beautiful heart. I leave you with this, To be absent from the body is to be present with the LORD!! He not in no more pain!!! He resting in the Masters arms now. Watching over all that loved him! Family & Friends hold on to GOD's unchanging hand! Love Carmen Carter (Uncle Willie's niece)*

The last time I saw or heard from .Ezzo was probably in 1960. That is the year we moved from Highway 50, Widener, AR to Forrest City. My father was a sharecropper but the Moores were land owners. Every Sunday after church we'd gather in their pasture and have hard played baseball games. Their land was east of the Whitmore cutoff line which required them to attend school in Hughes. We never attended the same schools. The entire Moore clan were just wonderful people. Take your rest my friend. May God bless all your love ones real good.
