“ Henry was my / our #8 on the Fall '91 line. It was an Honor and Pleasure to go through the sands with you..We spent a summer together in the State of Washington (Mt. Rainer) during over Internship for the Forrest Preserve and had a blast shooting basketball, fishing, driving through the mountains and hanging out in Seattle and Portland. You will be missed. “ This one hit me hard. Doony was one of my many brothers from other mothers raised on the Ponderosa. I can still hear him call my name from his window seat where he watched over the neighborhood, or laugh after listening to me catch a beating for whatever trouble I got caught getting into. I could go on, but my memories of Henry Jr. are nothing but a blessing as with all of my Ponde family. My condolences and love to everyone.

My brother and I had been together a long time. We had been through good times and bad and I stuck with him throughout. He is in heaven now looking down on us telling us to stick together as a family because that is what our parents taught us and to look after each other. I know GOD kept him and will keep him comforted along with our Mother, Father and GrandMother.
