“ I've worked with Herbert for 8 yrs at the Social Security Office. When I came to work there he was the first face that I saw. Over the years of knowing him, we had a lot in common, where we worked, we both served in the military and family. He loved his babygirl Osheia! He was so proud to be her dad and he loved her so much, almost any conversation you had with him, he found a way to talk about his babygirl. He would often say "that is my heart right there" He was my friend, he was my brother. Rest in Peace my friend. To the Family, I will continue to lift you up in prayer. May GOD be your comfort in your time of bereavement. He will be missed. Loretta Dorsey
