“ Aunt Remmie's, sweet, gentle voice and welcoming spirit will be greatly missed! Forrest City or our family will never be the same without her. We made many trips to visit and stay with her and my cousins over the years. Its truly hard to believe she is gone. But, I only have fond and loving memories of her and that is a testament to a life well lived!

“ Love, comfort and prayers for strength extended to the family during this time of loss. Aunt Irene aka Remy was known as the fun Aunt when my sister Reba and I were young and would visit her and family. She seem to always be happy and full of joy with the most contiguous laughter. It's sad to know that she is gone but happiness in knowing she's no longer suffering from any pain. Aunt Remy you were truly loved by many and will be greatly missed.
