“ Janelle was a very special cousin with whom I had the pleasure of sharing our childhood in Palestine Arkansas. We attended Palestine Training School together in the same classes. I left Palestine to travel the world; however, Janell, was always someone I could look forward to seeing during my frequent visits home when we shared precious memories and adventures. Janelle will be missed down here; nonetheless, Through Christ Jesus I am looking forward to seeing her again up yonder

“ When she drove the greyhound bus, she would call us and tell us when she would be in the area. We would drive up to 65 miles to meet and see her. She always made you feel so special. She would tell these strangers on her bus that we were her niece and nephew and how far we came to see her. I love you Auntie and will miss you saying good morning to me on Facebook.

I was sadden to hear of the loss of my childhood friend and classmate. Over the past few years I have enjoyed her friendship on Facebook. Some of her post on FB brought back memories of us working in the cotton fields growing up in Palestine. The family members have my deepest sympathy at this sad time. May the Lord continues to strengthen you in the days ahead. Be blessed and stay safe!!

Love you!!
