“ I miss you so much! I hate that you are gone Momma. Everyday, I try to not think of you, because I hate the feeling of missing you and not being able to see you! God knows he turned my heart upside-down when he took you. I still try my hardest to lean on him, because I know he love me so much that he made you one of my guardians. You are with me daily! You will truly be missed Janie! My Girl! My Everything :(
