On Sunday, August 15, Judy Carol (Belt) Ibezim joined God's heavenly choir.

Judy was born on July 4, 1964 in Colt, Arkansas, and she has been a firecracker ever since. She was the eighth child born to Future Mae and Joe L. Belt. She received early Christian training at her home church of Jericho Church of God in Christ. She graduated from Forrest City High School, and then she attended the University of Arkansas at Pine Bluff and the University of Arkansas at Little Rock, where she obtained a Bachelor's in communications and participated in ROTC.

Judy married Willie Ibezim on July 19, 1989, and together they had five loving daughters □ Angelica (Fortney), Audrey, Ayolah, Arlinda, and Arniece. They remember her as a bright, passionate woman with fiery resolve. As a mother, she emphasized education and encouraged creative exploration. She was a deeply faithful woman who ensured her children were involved in practically everything church had to offer, from dance, to step, to choir. She attended Greater Community Temple in Memphis, TN for over twenty years, and served on the missionary board, sang in choir, directed the children's choir, and even

started a puppet ministry.

After a stint in the Army Signal Corp, Judy went on to nursing school (obtaining her RN and BSN) and used her training in various settings, including hospitals, nursing homes, home health, and even teaching. She loved the challenge that nursing brought and excelled before mental health struggles caused her to retire. However, while nursing was her career, music was her passion. Judy recorded an EP of original songs and performed throughout the tri-state area. She could often be heard singing while performing household tasks and continued recording music into her later years.

Judy's transition to ancestor reunited her with her parents; her brothers, Robert Patrick Belt and Ronald Clint Belt; and her sister Charlotte Belt Falls.

Among those still here to honor her memory are her husband; her five children; her five remaining sisters (Beverly Bynum, Velerie Key, Vashti Belt, Pamela Taylor, and Francelia Hamilton); her five remaining brothers (Joe Belt, Jr., Emmanuel Belt, Carl Belt, George Belt, and Keith Belt); her aunts, and numerous nieces, nephews, and cousins. She will be deeply missed.

“ Judy's daughters, husband, and Belt family, Judy was the first Belt daughter that I taught in the second grade at the Caldwell Elementary school many years ago. She was a smart sweet little girl. She grew up with her family in our community. She would visit her family often. later years she would visit Pine Tree COGIC church, where she would sing with her beautiful voice. The Belt family are such a beautiful loving family, and always taking care of each other. My prayers and thoughts are with the entire family at this difficult time. You are all in my heart love you all.

“ *When I think of Judy, I think of the songbird that was always willing
to share its talent. That was Judy! Her voice was angelic and when
she sang, you got chill bumps from the beauty of her opera like
Soprano voice.*

*But Judy also loved to volunteer. No matter what committee I was
chairing at Greater Community Temple COGIC, when I looked at
the sign-up sheet, Judy's name would be written on it.*

*Judy was very proud of her daughters and always talked about how
well they were doing in school. Daughters, know that your Mother
loved you very much. You were the apple of her eye.*

*My sincere condolences to the entire family of Judy Ibezim. Please
always remember to cherish the memories of this beloved soul.*

Rest In Peace Judy...
