

Baby Girl Ka'ior Damia Bowen

February 14, 2026 - February 14, 2026

On February 14, 2026, a day the world dedicated to love, our precious baby girl was born into the arms of the angels. Though she spent her first moments in the quiet peace of heaven, she entered a world that had been waiting for her with open arms and overflowing hearts.

Ka'ior is deeply loved and forever cherished by her devoted parents, Kevaughndre "Manny" Bowen and Jamia Fairchild. Though her time was brief, the footprint she left on their souls is everlasting. She was preceded in death by her maternal grandfather, James Fairchild; her maternal great-grandparents, Odis and Brenda Mosley Rogers; and her paternal great-grandmother, Susie McKnight, who now hold her in heaven until we can hold her again.

Those who will cherish her precious memory include her loving siblings, big brother Kingston Nesbitt and big sister Navy Marlowe; her paternal grandmother, Grannett Roebuck; her maternal grandmother, La'Shawnaa Rogers; her god-grandparents, Oteria and Johnny Ruffin; her paternal great-grandparents, Lisa White and Grant (Essie) Long, Jr.; her aunts, Quintella Barton, Makeyyah Rogers, Darruyana Cochran, Anaya Bowen, and Aiyana Bowen; her uncles, Jaylin Fairchild and Kevaughn Bowen; along with a host of aunts, uncles, cousins, extended family members, and friends who were all eagerly awaiting her arrival.

Our hearts prepared a place for you long before we knew your name, but God, in His infinite wisdom, hand-picked you for His garden in heaven. You were too beautiful for this earth, Ka'ior, a Valentine sent to remind us that the purest love is eternal.
