“ I remember how you could make anything grow. You had us working in the garden every spring and summer. We had the most fun in the gardens you made. From watermelons to cabbage, corn, and peppers we had it all but you not only did grow food you was the type of person that grew people. You are truly missed and not a day goes by that I don't think about you or reflect back to a lesson I learned from you. You were the best mom anybody could ever want. Thank you for raising us the way you did and introducing us to Christ.... we want depart! I'll see you on the other side “LADY!” 🥹
