“ *This hit me and took me back to the Christmas you was over my house and i was scared to go in the atic to get the Christmas decorations. You with your kind self offered to climb the ladder & brought everything down for me. Then you stayed and helped hang my lights. You are one of a kind. Your kindness & care touched many hearts. Family my prayers for your strength i send to you. God called his son home but never will he be gone hold on to those warm memories. Christina Phillips*

Prayers to The White & Mason family. I've know him all his life, like my brother. May God send continuous prayers to all of us. Sending and hug to the entire family. As a mother Diane my heart goes out to you. Love each of you. In Jesus name Amen.
