“ Lillie always had that way of lifting you up. when she entered a room the light came with her. She has meant so very much to me and my family. always just a call away. she would never let you be down around her, she was just smile and say come on now we are not going to let anyone take our joy, For me she was more than a friend she was my sister. My heart is full right now and tears just keep flowing, but Lillie would not want me to be sad she would want me to enjoy the memories that we share.

Family I will keep you in prayer, love you all

“ We looked forward at work in Cleveland OH to Lil's pound cakes. We couldn't get enough of them. If there was a Christmas Party or Retirement party everyone asked "is Lil baking a pound cake?"

To the Wofford family, we go back to White-Rock days our parents were best friends and the kid's followed suite. I was deeply saddened to learn about the death of BB, I talked with her a few days before Christmas, she called me. She sounded like her jolly self, all bubbly and laughter.

May memories comfort you and bring you peace.

Eternal rest grant unto them, O Lord and let perpetual light shine upon them.

May their souls and the souls of all the faithful departed through the mercy of God rest in peace Amen

BB will be missed.

Lil was a joy to work with. She was funny and upbeat! She never let the world get her down. God must have needed some pound cake and good spirit because he has her now!
