“ My condolences to all of Sister Pearson family and loved ones. She will truly be missed. She always had a song for us on Sunday, it is nothing like those old gospel songs that she would sing that had some meaning with the words!

“ *To the woman who took me in after my mom died. Who ever thought this day would come and all I can think about you just being there and all the calls we had. I know I am not your daughter or grandchildren but you made me feel if I was. With out you I wouldn't know how took most of things I am cooking today. My whole week has been down and drained. God has you now. I love ❤️ you so much all I can do is cry 😭 because of sadness but joyful tears because you are there with God and my mom. Tell mom we miss and love 💕 her too. “ Aunt Louise was one of my favorite family members that I always took pleasure in seeing...you know why? Glad you asked...because she was always smiling, even when she was sick, she had a warm welcoming smile on her face. She always made you feel right at home. Auntie, I'm going to miss you, and as you have passed through this world I hope that some of our other family members took notes on how to show love like you did. (no offense family). Family, I love you, and be strong!! RIP Aunt Louise❤️🙏. Sherline
