“ 🌹 To the families, we offer you our deepest condolences, and prayers for your inner strength to be multiplied to help you to endure your Love One, and our wonderful Lincoln High Schoolmate, Lucille's recent passing.

We lived in the same neighborhood for many long years while growing up and walking back and forth to School.

"To GOD be the glory," for all the things that He has done, from the very earliest time of our existence until now: for where HE has brought us to, we give you praise!

And for the things He teaches us while we walk this Earthly Journey to our Heavenly Father's House, not made with human hands.
