“ *I pray strength and comfort for Terrill and the family during this time of bereavement! Mother White was very instrumental in my life as a teenager during a very difficult season of my life. Her willingness to step in and do what was needed shall never be forgotten & God is intentional about all things! Her living was not in vain and her service to God and His people is the example of what we should strive to be. Take your rest Mother, you have ran the race and you have finished the course. Well done! I love you 🥰🙏*
