“ *My uncle Lynn has always been there for me. He looked out for me and spent so many special times together taking me to dinner, helping me when I was having my first baby through all the rest of them , and simply raising me. You are a gift and I know the Father has you . I will see when we are made new <3*

“ *My kind, hilarious, ready to fight any one who made me cry, loving Uncle. Thinking about you still brings tears to my eyes but thinking about your eternal laughter in heaven makes them into tears of joy. No more pain for my Angel who gained his wings. I love you my Uncle Lynn.*
