“ We miss seeing "the teenager" at the store. She was always polite and sweet. She enjoyed being around people, especially young people. Her niece was so loving and patient with her. Sweet memories last forever.

“ To the Parker family I send my condolences. Everybody always called her "Bit", and she was so nice and quiet. She loved her sister Mrs. Charlene who was always there for her. My mother knew her all of her life . Mrs. Charlene will be waiting at the gate for her.
