Michelle Tanise Pendleton was born on October 26, 1986 to Elder Nathanael and Helen Pendleton in Palestine, Arkansas. God saw fit to take this angel home on Monday, July 5th, 2021. She gave her life and heart to God at an early age. She loved praising God and singing.

Michelle was a complete joy to anyone who met her. She had a huge smile and an amazing personality. She had a heart for children, especially children with special needs. She was always attaching herself to a child whether it was her nieces and nephews or someone else's child. Michelle truly embraced her calling to teach. She taught for approximately 10 years, most recently at CB Partee Elementary in the Brinkley School District. She was an amazing teacher and co-worker. She treated all children as if they were her own.

Michelle was a creative soul. She loved to cook and she would get so excited watching people enjoy her cooking whether it was a family dinner, catering event or her passion for baking. She often said "I don't know how much of this ingredient I put in anything, I just cook". It was her gift. She expanded that gift into a business in 2020 which she appropriately named "From Michelle, With Love, LLC". She enjoyed cooking for her family, clients and was excited for her business to flourish.

Michelle enjoyed spending time with friends and family. She enjoyed making people laugh and taking/sending selfies to her loved ones. She would often send a picture and say "just so you don't forget how I look" or "I knew you needed this". She was a very generous and loving soul. She showed everyone that she met how much she loved them. She was a pure giver. She gave from her heart.

Michelle loved her parents, her 13 besties (siblings), her in-laws and all of her nieces/nephews with all of her heart and soul. She wanted the best for everyone and encouraged everyone with kind words. She loved to travel and she didn't let anything stop her from doing what she wanted in life. Through health issues, she was resilient and lived a full life. Her life mattered.

Michelle was preceded in death by her father, the late great Elder Nathanael Pendleton, Sr, her 4 grandparents: Andy & Bernice Pendleton and LC & Rosetta King and her niece Anelise Walker.

Michelle leaves to cherish her memory her loving mother, Helen Pendleton of Palestine, AR, 13 siblings who will miss her greatly; Jacqueline Burgess (Leonard) of Forrest City, AR, Nathanael Pendleton, Jr of Forrest City, AR, Patricia Pendleton of Dallas, TX, Timothy Pendleton of Forrest City, AR, Priscilla Pendleton of Jonesboro, AR, Anthony Pendleton (Laquinta) of Palestine, AR, Thaddeus Pendleton of Forrest City, AR, Phillip Pendleton (Karen) of Dallas, TX, Helen Rolfe (Marc) of Jonesboro, AR, Marcus Pendleton (Krystle) of Dallas, TX, Lydia Henderson of Atlanta, GA, Gwendolyn Pendleton of Palestine, AR and Maurice Pendleton (Pamela) of Jonesboro, AR and Honorary Sister: Crystal Harris-Daniels of Forrest City, AR. She also leaves a host of nieces, nephews, great nieces and nephews, cousins, aunts, uncles and friends. She leaves to cherish her memory and love, Godson, Kylin Daniels and her Baby, Javion Harris.

“ *I want to say I'm so sorry for your loss and I pray God will comfort you during this difficult time. We might not understand why but we must trust and believe God knows best. Michelle was the first teacher I worked with at University Heights Elementary in Jonesboro. She was a sweet, loving, beautiful young lady. We became friends and she got so attached to my oldest daughter. She would come and take her to Larry's Pizza for lunch which was their favorite spot. She was like a baby sister to me and I'm going to truly miss that beautiful smile. Love, Georgia Williams💕*

“ *God is too right to do wrong and too wise to make a mistake. I shall trust His infinite wisdom!! Continued prayers for the Pendleton family and all who knew her. Michelle was the bright spot in my day. She was so full of life no matter what she was facing. During my health ordeal she refused to let me be depressed about it. She was always encouraging me. Today alone I've seen so many Volkswagens it was hard at first but now it's confirmation for me Michelle is alright now. When I see one I'd usually call!!! If only heaven had a phone!! Rest well your work down here is done!!*

“ Remembering my precious cousin Michelle being that we all grew up together and we were 14 in counting siblings we all could relate we all got to hold all of each and every one of you so that made us very close to all of you so this makes it so hard losing you on this sad day but god has a purpose and sometimes hard to understand but he doesn't put things on that he knows we can't bear I love you and will always miss you farewell little cousin

“ I'm lighting this yellow candle that shines so brightly to match your personality. You were like a ray of sunshine, you would light up any room with your presence and radiant, affectionate smile. Your first year working in Brinkley happened to be my last year and I'm blessed to have met someone as sweet as you. You made an impact on the lives of both children and adults alike. You didn't leave your work undone. God has welcomed His faithful servant home! 🙏💕🙏
