“ Memories of wonderful times in Chicago and Evanston!
Bird, as we lovingly called him, was a good man!

“ Everytime he would come and Big A & I he always kept the laughter and the jokes going strong. We've had a lot of "bust your gut" moments. Loved seeing he & Evelyn out together enjoying themselves. "Bird" you are missed. You've gotten those wings you always talked about. Prayers for you Evelyn and the family.

“ Uncle Bird 💔

Thank you for being such a important person in my life since birth. No matter what or where you were always there when I needed you! These pictures remind me of when I needed you most when my dad (Donnie) passed. You were right by my side. Thank you for being a amazing part of my life. I will cherish all our moments together. I love you always and miss you! Love your Baby Girl
