“ I can't believe this, but it's been 3 years since your passing now dad. I learned and realized that no matter how hard life gets, everything will be okay. I've recently started to build my relationship with God, I am more happier than I've ever been. Everyone is doing great, and I will always make sure everyone will continue to do well. Hopefully one day, We will meet again dad. I love you always and forever.

“ MY BROTHER ❤️❤️❤️ "WAYNE".. It has really amazed me how things happened So peculiarly. You filed for divorce, put the spouse out of the house because she threatened your children's lives and I guess she gets your check and the childrens check and I guess you were right, she poisoned 🤮 you... well I know you left great clues so, just waiting out her on the Pier of life to see what's best. Missing you so very much my dear baby brother.
