“ *Roy was such a kindred spirit, he was so humble and willing to take instructions, to be accountable for his actions, never a harsh word, always polite and friendly. He bought a smile to your face just with laughter. I loved working with Roy, Logistics Express will definitely miss him.*

“ *Man my words can't really express how I feel right now! I received a call and thought of every other Pooh but you (knowing in my mind that you wasn't a option). Then it was you! Too many times we were either at my house or Big Mike's partying, and I just left from your presence 2weeks ago. I'm going to miss you most because you motivated me by turning your life around and driving and never turned back. You just don't know how much you're missed already!
