“ Sarah and I have been friends for nearly seventy years. We shared kindergarten years at Mrs. Bonds on Division and Franklin in the mid fifties and year's later often traveled to college together by driver Ernest Powell. I actually gave her her first job in Parkin, Arkansas in the summer of 1969 as I had two offers, one there and one in Los Angeles. I called to check on her every since. She was definitely a one of a kind who shared her heart with everyone. RIH my dear friend and we all miss you so much.

“ My Dear Friend could make the best Spaghetti and "Spicy Meat Sauce," paired with a delicious Apple Pie, Wow! That was good eating! I'll miss our "Late Night/Early Morning" telephone conversations, and just knowing that she was there. Sarah, now that you're presence with The Lord...please save me a seat... just like you always did at James' Class Reunions! We've had many "hard laughs" together since AM&N College days, I'm missing you already. Love Always! Gloria J. Vasser Pickett
