“ I hired Sharon to work at Milestones a few years ago. She was one of the best workers I ever had. She was kind, respectful and showed her love for the children by making sure that she gave them the care they needed. Sharon was smart and intuitive with common sense that is not so common these days! She was such a hard worker and was at work on time every day. The world will miss her and my sympathy to all her family. I know you will miss her the most.
