“ Keke was such a bright fun woman and loved her son very much. I spent many moments with her at Rockville as she awaited her moments to be a free woman to go home to be with her family as she didn't deserve to be there. She was a very amazing and smart woman and she was was kind and caring and always made people smile and was very fun and courageous. She had alot of perseverance and always made room for alot of things in her life that made positivity her main goal. Keke was always happy and always was the laugh of the party. If I could give her a message to tell her you was such a great friend to me, you was such an amazing mother from where I stood, an amazing family member, people everywhere loved you and I'll never forget you and the laughs we shared and the slams we made thank you for being my person friend. Rest in heaven love.

“ Through the merciful Love of Christ, at a time such as this, Our GOD is able to do exceedingly, and abundantly even more than we may ask or think. Remembering, that He is the answer to every situation; as we place our complete trust in Him, He will provide. Be encouraged family, we are praying for you.
