“ It was such an honor to know Ms.Riley. I appreciate all of the inspirational talks. The love she had for her students was shown. A woman of very few words, but when she spoke the information, wisdom she shared was valuable. We talked often about our babies, who would of know they would cross each others paths and become friends. You will truly be missed.

“ I had worked with Ms. Riley over the past few years at KIPP. She was a dedicated and hard working teacher, and left a legacy of serving students in our community for so many years. Her life made such a positive difference in the lives of so many. She was so well loved and respected. I will miss her. My deepest condolences and sympathy to all of her family and friends.

“ A beautiful person all around. Ms. Riley had a sweet spirit about her that you could feel as soon as you saw her. She was a great person, teacher, mentor, and mother. I never saw her without her son. We used to talk about purple being our favorite color. Purple also represents devotion, wisdom, peace, pride, independence. All of which describes her. She has truly touched a lot of people and she will definitely be missed.

“ Ms. Riley was a God fearing woman who understood me as an educator and mother. She spoke life into my current role and made sure I was ready. I thank God for allowing us to cross paths. Ms. Riley you are truly missed but your memory, sternness, and vision will remain in my heart!

“ You were such a gem to the body of Christ and the world. I thank God for allowing me to be a part of your life. You will be greatly missed by many, but your stamp on the world will never be forgotten.

“ Ms. Riley, for your good works, your crown awaits you. The Bible says in 2 Timothy 4:5-8 (NIV) says, “ But you, keep your head in all situations, endure hardship, do the work of an evangelist, discharge all the duties of your ministry. For I am already being poured out like a drink offering, and the time for my departure is near. I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day--and not only to me, but also to all who have longed for his appearing.” Your work on Earth is done, but your legacy will remain in the hearts of many. Rest in love, humble servant.

“ I have had the opportunity to know Ms. Riley for a number of years, including time at the Helena-West Helena School District and at KIPP Delta. She was devoted to the success and love of the students she taught over her lifetime. She also always spoke with pride about her son and his success. While I am sad she is no longer with us, she lived her life in a way to guarantee the success of her son, the students she taught, and those she knew. May those she left behind feel the same love and support that she exuded every day.

“ To my Sweet Aunnie , now when you're a Aunnie that means you mean a lot to your niece or nephew. To post R.I.P. in front of your name is so unreal & with that having to be the cause moving forward , your Love , Admiration , Devotion to Family , Devotion to God , and the Assertiveness as a Strong Woman will always be a mindset to have and remember that “ Auntie Shun “ taught us ! I love you , and my Children were growing to love and Know the Aunnie I knew ! I will miss our bi weekly appointments and girl chats . Now I'll for sure tell my funny stories of shop chronicles with , the music and your facial expressions.

...I will never question the Process of Gods plan , he knew and will always know His plan for our lives , starting with the sunrise & ending with a Sunset. ❤️☀️
