

Star Wesson

November 22, 2004 - June 17, 2026

With heavy hearts, we announce the passing of our beloved Star Wesson on June 17, 2026. After a lengthy illness, Star peacefully crossed the Rainbow Bridge surrounded by love.

For more than twenty-one years, Star brought comfort, companionship, loyalty, and unconditional love to all who knew her. Her gentle spirit, faithful presence, and loving heart made her much more than a pet—she was family.

She leaves to cherish her memory her devoted mother, Johnnie Mae Wesson of Forrest City, Arkansas; her mother's companion, Edward Heard; her sister, LaTonya Roebuck-Townsend; and her brother, Darryl L. Houston.

In accordance with the family's wishes, Star will be cremated, and her mother will carry her with her forever; a lasting reminder of a bond that can never be broken.

"No longer by our side, but forever in our hearts."
