“ Hi Sissy,
Words cannot convey anything right now...That will ease or remove your pain...Nor will they provide you with answers to the many questions or reasons why this has happened to you and your precious son.

I hope and pray that the prayers, love, and the presence from your family, friends, and loved ones will bring you some comfort and strength...As you take one day at a time to grieve, reflect, heal, smile, and even laugh at a memory or few!!

May God Continue To Bless You With All Of The Things You Need To Fight Through This Battle...

Asking Jesus To Catch You During Your Weakest Moments...And You Pull From The Strength Around You...

Asking the Holy Spirit To Whisper Words Of Comfort And Guidance When You Just Don't Know What To Do...

Sweetie, it saddens me that I cannot be there for you...But please know I am with you in your heart!!

*Peace, Strength, Love,
Aunt Valerie 🤍🙏🤍*
