“ It’s really hard to sum up TUFFY!! She was a person that always smiled no matter if she was mad or not. You could never tell how she felt until she opened her mouth or until she threw a punch at you , but one thing I know is that she loved her family and kids. I can remember going to visit my neices and nephews and she would punch me before I could get in the house. To the family my family.Jas, DD, Tasha and Terrance . I want y’all to know that I love y’all and that everything will be alright. Time will heal all wounds , i know you are all hurt and in pain but, weeping only endureth for a night but joy comes in the morning. I love you all and you know I’m just a phone call or text away. Uncle David

“ Houston family, Just found out today of Lawanda's passing. I pray for God's mercy during this most difficult time and that he gives you peace, comfort, strength and healing of the broken hearts," Tuffy" was one of my student's many years ago at Caldwell Elementary School, such a sweet young lady. We all lived in the same community many years, where her children have grown up also. . Her children and grand babies were her heart, she loved them so much. Lawanda a loving, caring mother with a big heart for her family. You have my deepest sympathy, hold onto all those special memories in your hearts. Love, Mrs. Thorn
