I can not believe this!! Tawanda was such a sweet person. We always talked when she would come to my job. She would tell me about her dream of going to nursing school and the progress she was making. She would also tell me about all the purchases she would make for her nephew. This is such a loss to her family and friends. May her soul rest peacefully in heaven Amen

This lady could light up a room or anyone's day for that matter. She had such a loving spirit about her and her laugh I will never forget. I never saw her without a smile on her face or a skip in her step. We would see each other every morning and compliment each other on what we wore b/c we had the same taste in clothes- she always looked adorable!!

Heaven has gained another angel!

TaWanda girl you got your roses. No more tearful and painful day only Glory, Glory. I'm sad, but grateful God needed a short, sassy, adorable Angel on his holy team. No more troubled days only golden moments for you now. Take your rest and your now your dues are fully paid with all the love and compassion you shared among us gone too soon but will never be forgotten. Aunt Shirley she only wanted the Best for you, siblings, and her baby Li Chris ...I know you all will cry, but tears of joy couldn't be for a better person. Take your rest in comfort you will be missed , but never forgotten.
