“ Sending prayers to the family of Theodis that God will keep you in time of your sorrow and strength you. My memories of Theodis go back to middle school. We always had deep conversations and would talk about many things. Down through the years I would go see him when I went to Forrest City. After not seeing him for a few years, I saw him for Thanksgiving. We had a breif conversation. I gave him a hug for I was glad to see him. I will never forget how he started off by saying in his own funny voice fading , "now you know." He will surely be missed but never forgotten.
