“ I am a nurse from SVI who took care of Tony. He was my buddy and I loved him. Even when he was suffering he had a sense of humor and would tease and roll his eyes at us. We figured out that he liked gospel and blues music and would play it for him from our phones sometimes while helping with his care. I am so sorry he is not partying and laughing and dancing and joking with his beautiful family as he should be. I know heaven’s party got that much more joy and energy the day he passed. I honor his life and my heart goes out to his wonderful wife and daughters and his precious honorary mama. May all those who love him experience comfort and the joy of his memory. ❤️
