“ *Life will never be the same without you, you know? You're the only person that has always been there, & truly loved my children & I unconditionally. I miss those days sleeping over at your house, seeing that big beautiful smile, & watching you play with and spoil the kids. I lived for those never-ending conversations & the early morning soap operas. You're my heart & soul, and now you're my angel. God couldn't have blessed my children & I with a better grandmother. Fly high my sweet angel, I hope to see you again someday.*
